NO CASUALTIES CAUSED IN HOSTILE RAID PARIS

(Associated Press.)
Paris, June 27.—Few bombs were dropped and no casualties were caused by the German airplanes which raided Paris last night, according to the French government's report of the German attempt at an air bombardment. It appears, says the Matin, that there were two groups of the Gothas. The greater part of them had to change the direction of their flight because of the vigorous barrage fire, and in the effort to regain their base safely, got rid of their bombs rapidly.

BUSINESS OPPORTUNITIES

BUSINESS OPPORTUNITY—I would like to buy part or controlling interest in some manufacturing business that needs more capital to increase its business; or I might be interested in joining with one or two others in organizing new company to engage in some manufacturing business that offers good prospects. PROHIBITION AFTER JUNE, 1919

Senate Agrees on Such Amendment to Emergency Appropriation Bill.

(Associated Press.)
Washington, June 27.—The senate agricultural committee today agreed upon an amendment to the \$11,000,000 emergency agricultural appropriation bill providing for national prohibition. Under the amendment the manufacture and sale of whisky and wine would be prohibited after June 30, 1919, and the manufacture and sale of beer three months after the final approval of the bill by the president. The amendment was framed by Senator Norris, of Nebraska, as a substitute for the pending one by Senator Jones, of Washington. The Jones amendment would have brought about absolute prohibition immediately upon enactment of the legislation. The Norris compromise was adopted by the committee by a vote of 8 to 3. Those opposed to the Norris amendment attempted to have it changed so as to permit the sale of beer six months after its passage and later proposed four months. Before efforts, however, resulted in defeat, Chairman Gore said the bill with the new amendment would be reported to the senate tomorrow and that an effort would be made to bring it up for consideration at once.

HOW SHE BANISHES BACKACHE.
Mrs. Elsie H. Kleppe, Averett, Minn., writes: "I was at a sanitarium three weeks at one time, two weeks another time, for rheumatism and kidney trouble and got no relief. On my return home I began using Foley's Kidney Pills and found immediate relief, a half bottle completed the cure." This is further proof that these wonderful pills give relief where other treatments fail. Cures backache, weak, sore, aching kidneys, bladder, back, rheumatism, joints. Jo Anderson, druggist, Chattanooga, Tenn. (Adv.)

FIRST AMERICAN STEAMER ARRIVES AT CHILEAN PORT
Washington, June 27.—The first American steamer assigned by the shipping board to the newly-established route between New York and Valparaiso has arrived at the Chilean port, reducing the usual time of passage from twenty-seven to eighteen days. The appreciation of the Chilean government was expressed in a cablegram received yesterday by Secretary McAdoo from Daniel Feltz, minister of foreign affairs. The route between New York and Valparaiso is the first in a world-wide service of direct steamship lines planned by the shipping board. As fast as vessels are available they will be put into weekly passenger service between New York and to Janeiro, Montevideo, Buenos Aires and Caracas, on the east coast of South America, and ports of Colombia, Ecuador, Peru and Chile, on the west coast, as well as to Mexico, Guatemala, Nicaragua, Honduras and Costa Rica.

H. C. KNOTT TO MANAGE FUEL FOR POWER PRODUCTION
Washington, June 27.—Appointment of Henderson C. Knott, general manager of the Morgan Crucible company, of New York, as manager of the field force of engineers and inspectors at work among the 250,000 power plants of the country was announced last night by the fuel administration. Mr. Knott will head the campaign of instruction and inspection designed to bring about efficiency and economy in the use of fuel for power production.

HOLE IN DANCEY WAS PART OF TUNNEL BLOCK
Jacksonville, Fla., June 27.—The report that a hole had been bored into the hull of the new steamer Dancey at the Murdock shipyards, probably by a German spy, which was denied last night by officials of the company, who stated that the hole was part of a tunnel block which was overlooked when the vessel was launched. The hole, however, was found before any quantity of water entered the hull and the ship was not damaged, officials declared.

DANGERS OF COSTIVENESS
Auto-intoxication, headache, lassitude, irritability, "blues," salowness, blotches, are among the results of constipation. If long neglected it may cause piles, obstruction of bowels, appendicitis, nervous prostration, paralysis. Don't delay treatment. Best remedy is Foley Cathartic Tablets, as many thousands know from experience. They not only do their work surely, easily, gently, but without injury to stomach or intestinal lining. Contain no habit-forming element. Jo Anderson, druggist, Chattanooga, Tenn. (Adv.)

PREPARATIONS COMPLETED FOR NEW DRAFT TREATY
Washington, June 27.—Officials of the protest marshal-general's office said yesterday that preparations have been completed to carry out the provisions of the draft treaty recently drawn up between the United States and Great Britain
